Hello Everyone!

Welcome to 4th grade! I am so pleased that you are in my class this year! Fourth grade is filled with many creative activities and is a very exciting time to learn new things. I always like to start the school year with the most important activity: ***"GETTING TO KNOW YOU!"***

Each of us has a special talent or strength. You might be great at drawing, writing, composing songs or creating poems. You might even be terrific at singing or acting. Some people are fantastic at photography, film-making or interviewing other people. I would like you to ***show me*** who you are by showing your own special talent. You decide "how" you want to share the information about yourself– make a slide, a poster, a letter, a chart, perform a musical selection, etc. Make sure, no matter what, you are yourself! Please include in your presentation some facts about yourself:

*** The most important people in your life –*tell* me *why they are important***
*** Your favorite outdoor activities**
*** Something you have accomplished to make you feel proud of yourself**
*** Your favorite season – *tell me why***
*** Anything else that you would like to share….**

I would <u>also</u> like you to do the following <u>FOR THE FIRST DAY!</u>
***Bring in your FAVORITE JOKE or a GOOD SENSE OF HUMOR.**
***Bring in a HEALTHY snack and a great big SMILE!!**

Please bring this completed activity to class the ***first week of school.***
I know how talented you are, and I can't wait to meet you!

See you in August!!
Ms. Anton, Mrs. Bronson, & Mrs. Denton
Together we can make a difference!
