June 6, 2017

Dear Parents,

Summer is almost here and with it comes the start of Case Memorial Library's annual Summer Reading Game! Our theme for this year is "Build a Better World." The fun begins with Summer Reading Registration Day on Thursday, June 15th from 11:30AM-4:00PM. Stop by the Children's Room and receive a bookmark just for signing up! When participants have read their first book, they may choose a game piece, decorate it using our stash of art supplies, and pin it to our Summer Reading Game Board. **Game pieces will be moved from one area of the Board to the next as children progress towards their five book goal. Read five books and complete one activity from the "Choose Your Challenge" sheet enclosed in this packet. Then, stop by the library, receive a tangrams kit and get entered into the Summer Reading Grand Prize Raffle of your choosing!** We are also introducing prizes for books read within a given week so that everyone can be a winner. More information is available at <http://www.orange.lioninc.org>.

Can't make it to Registration Day and still want to be a part of it? Your program materials will be available for pickup anytime at the library. Also, there is a digital component to this program designed for those who wish to manage their accounts online. This is perfect for those who are not in town over the summer or for readers who want a printable list of the books they have read. "Wandoo Reader" is a user-friendly online summer reading tracker that you can use to register your child for the program. Just log your child's reading and you will be alerted when you have earned a prize. Visit www.tinyurl.com/cmlchildsrp2017 any time on or after Thursday, June 16th to get started.

Summer Reading will conclude on Saturday, August 19 at 10:30-11:30AM with a family-friendly magic show by Scott Jameson. Grand Prize Raffle drawings will take place the following week. Winners will be notified by telephone.

I hope to see the entire family at the library this summer. Thank you so much for your support, and please don't hesitate to reach out to me with any questions using the contact information provided below.

Happy Reading!

Sincerely,

Michelle Centore
