

Mrs. Kaplan

I have a Bachelor of Science degree in Communications from Boston University. Upon graduation, I worked for a marketing company in New York City. After getting married in 1984, Paul and I moved to Stamford, Ct where I worked as a corporate sales manager for a hotel. While working in Stamford I attended the University of Bridgeport to earn my Teaching Certification and Masters in Elementary Education. When my children were very young I was a nursery school teacher. When my daughter entered first grade (at Turkey Hill School) I was fortunate enough to get the position of Physical Education Teacher at Mary L. Tracy. Two years later, in 1999, my dream became a reality and I was offered a Kindergarten Teaching position at Mary L. Tracy School!

My husband and I have two children, Stephen and Danielle. Having both children in college gave me time to pursue another dream of mine which was to become a Volunteer firefighter. In June 2010, I passed both the State Written Exam and the Firefighter Practical Tests to become a Connecticut State Certified Firefighter.

I also help to coach the UNIFIED SPORTS Team at AMITY High School. In the summer I help to coach the North Haven Special Olympic Softball Team.

Being a teacher is more than a job, it is a passion. I am honored to have the opportunity to teach Kindergarten at the Mary L. Tracy School!
