

Mrs. Tickell's Classroom Expectations

Try to do your very best work
Be respectful and kind
Walk quietly in the hallways
Listen and follow directions
Always be prepared for each lesson

General Homework Guidelines

There will be assigned Homework Monday through Thursday with some weekend assignments for long term projects. Independent Reading called "Book in the Bag" is assigned Monday through Thursday. Parents are required to initial the blue log booklet provided. The children are expected to read for at least 20 minutes per night.

Always check your child's assignment notebook for other nightly assignments. Parents will sign off in initials each night as this will ensure understanding of the assignments.

In addition, the "Take - Home folder" should be checked nightly for notices and other homework. By making this a habit, children will develop better organizational skills. To help with morning routines, parents may find it helpful to pack the backpack with their child at night for the next day.
