

All About Mrs. Gorry

I have been teaching at Peck Place School for 9 years. I went to Quinnipiac University where I earned my Bachelors in Sociology, Masters in Elementary Education, and my 6th Year in Administration. I was very fortunate to complete my student teaching and internship for my Master's Degree at Peck Place School, making this my 10th year at Peck!

I grew up in Maine and love to visit any chance I get. I am married to Mr. Gorry and we have a spunky red headed son, Gavin, who will be 3 in December. We also have a loveable Labradoodle named Abby.

I hope your child finds my love of learning contagious! We are sure to have lots of fun!
