

Dear Third Grader,

Welcome to Third Grade! I am so happy that you are in my class! We are going to have a wonderful year of learning, laughing, and exploring together. You will learn many things this year from multiplication and fractions, rocks and of course, reading! You will meet many new friends and make wonderful memories.

If you need to take another look at the supply list it is posted on my classroom page on the [www.oess.org](http://www.oess.org) website. It would be great if you could have these items for the first day of school. We will also have a snack every morning, so please bring a healthy snack and water to keep you energized until lunch at 11:30.

During the first week of school, I will give you letters to share with your families. They will tell you about "special" schedules, upcoming important dates, and special third grade projects. Don't forget to bring in your Summer Reading List of all the books you read this summer! I can't wait to hear which book was your favorite ☺

You may be nervous to start school and are wondering who I am. So to make it a little easier, here are a few fun facts about me:

- ★ I am originally from New Hampshire.
- ★ I love the color blue (light blue like the sky).
- ★ I love to read and play sports.
- ★ I spent the summer with my family in New Hampshire.

I can't wait to hear about your trips, camps, and fun memories of summer! My classroom is very quiet right now, so I can't wait for you to join me in Room 303! Enjoy the last few days of summer and I will see your smiling face ready to learn and have fun on the first day of school!

Your Excited Teacher,

*Miss Potts*
