

Mission-Goals-Objectives

Nondiscrimination

The Orange School District shall promote nondiscrimination and an environment free of harassment based on an individual's race, color, religion, sex, sexual orientation, national origin, disability, marital status or age or because of the race, color, religion, sex, sexual orientation, gender identity or expression, national origin, disability, marital status or age of any other persons with whom the individual associates.

In keeping with requirements of federal and state law, the Orange District strives to remove any vestige of discrimination in employment, assignment and promotion of personnel; in educational opportunities and services offered to students; in student assignment to schools and classes; in student discipline; in location and use of facilities; in educational offerings and materials; and in accommodating the public at public meetings.

The Board encourages staff to improve human relationships within the schools and to establish channels through which citizens can communicate their concerns to the administration and the Board.

The Superintendent shall appoint and make known the individuals to contact on issues concerning the Americans with Disabilities Act (ADA), Section 504 of the Rehabilitation Act of 1974, Title VI, Title VII, Title IX and other civil rights or discrimination issues. The Board will adopt and the District will publish grievance procedures providing for prompt and equitable resolution of student and employee complaints.

Federal civil rights laws prohibit discrimination against an individual because he/she has opposed any discrimination act or practice or because that person has filed a charge, testified, assisted or participated in an investigation, proceeding or hearing. ADA further prohibits anyone from coercing, intimidating, threatening or interfering with an individual for exercising the rights guaranteed under the Act.

Nondiscrimination

Grievance Procedure for Section 504, Title IX, and Title VII Regulations

The Orange Board of Education does not knowingly condone discrimination on the basis of race, color, national origin, marital status, sex, sexual orientation, gender identity or expression or disability in admission or access to, or treatment, or employment in its programs or activities.

Inquiries regarding compliance, including receipt and investigation of any complaint alleging non-compliance may be directed to the Superintendent of Schools, or in the Superintendent's absence, the Director of Special Education Services.

Definitions

A "grievance" is a complaint by an employee, or group of employees, or a student or group of students based upon an alleged violation of the provisions of Section 504, Title IX, or Title VII

The term "employee" is considered to apply to any employee of the Orange Board of Education. The term "student" is considered to apply to any student enrolled in the Orange Public Schools. The term "teacher" is considered to apply to any teacher employed by the Orange Board of Education. The "teacher," "employee," or "student" may include a group of teachers or a group of employees or a group of students who are similarly affected by a grievance.

An "aggrieved person" is the person or persons making the claim.

The term "days," when used in this article, shall, except when otherwise indicated, mean working days.

Purpose

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may arise under the provisions of Section 504, Title IX, or Title VII

The parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

Nothing herein contained shall be construed as limiting the right of the complainant having a problem to discuss the matter informally with any appropriate member of the administration.

Any complainant shall have the right at any time to present any grievance to such persons and through such channels as are designated for that purpose in this article.

Time Limits

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement in writing.

If a complainant does not file a grievance in writing as provided herein within 30 days after the aggrieved person knew or should have known of the act or condition on which the grievance is based, then the grievance shall be considered waived.

Informal Procedure

Any student, employee or applicant to a program who feels that he/she has been discriminated against on the basis of race, color, national origin, sex, sexual orientation or handicap shall contact the building Principal/supervisor within 30 days of the alleged occurrence to discuss the nature of the complaint.

The Principal/supervisor shall maintain a written record which shall contain the following:

1. Full name and address of complainant.
2. Full name and position of person(s) who allegedly discriminated against the complainant.
3. A concise statement of the facts constituting the alleged discrimination.
4. Dates of the alleged discrimination.

At the time the alleged discrimination complaint is filed, Principal/supervisor shall review and explain the grievance procedures with the complainant and answer any questions. An investigation of the complaint shall begin as soon as practical, but in no case, more than ten (10) working days from the time the complaint was received. Within this time limit, the Principal/supervisor shall meet informally with the

complainant and the individual(s) against whom the complaint was lodged and shall provide confidential counseling where advisable and shall finally seek an informal agreement between the parties concerned. Every attempt shall be made to seek a solution and resolve the alleged discrimination complaint at this level.

If the complainant is not satisfied with these initial informal procedures, within twenty (20) school days from the date of the original discussion with the principal/supervisor, more formal procedures may be initiated by the complainant to further explore and resolve the problem.

Formal Procedure

1. Level One - School Principal

If a complainant is not satisfied with the disposition of the problem through informal procedures, he/she may submit his/her claim as a formal grievance in writing to the Principal.

The Principal shall within five (5) days render a decision and the reasons therefore in writing to the complainant, with a copy to the Superintendent of Schools.

2. Level Two - Superintendent of Schools

If the complainant is not satisfied with the disposition of his/her grievance at Level One, or if no decision has been rendered within five (5) days after presentation of the grievance in writing, the complainant may file a written appeal for a hearing by the Superintendent of Schools within five (5) days.

The Superintendent of Schools shall represent the administration at Level Two of the grievance procedure. Within ten (10) days after receipt of the written appeal for a hearing by the Superintendent, the Superintendent shall meet with the complainant for the purpose of resolving the grievance. A full record of such hearing shall be kept by the Superintendent. The Superintendent shall within three (3) days of the hearing render the decision and the reasons therefore in writing to the complainant.

3. Level Three - Board of Education

If the complainant is not satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within three (3) days after first meeting with the Superintendent, the person may file the grievance again with the Board of Education within five (5) days.

Within fifteen (15) days after receiving the written appeal, the Board shall meet with the complainant for the purpose of resolving the grievance. The decision of the Board shall be rendered in writing within three (3) days.

General Provisions

Decisions rendered at all levels of the formal grievance shall be in writing setting forth the decision and the reasons therefore.

All documents, communications and records dealing with the processing of a grievance shall be filed separately from the existing files of the participants.

Any person may also file a complaint of illegal discrimination with the Office for Civil Rights, Washington, D.C., at the same time he/she files the grievance during or after use of the grievance process, or without using the grievance process at all. If a complaint is filed with the Office for Civil Rights, it must be filed in writing no later than 180 days after the occurrence of the possible discrimination.

The Director of Special Education Services is the Title VII, Title IX and Section 504 Coordinator and may be contacted at 203-891-8020.
