

## **Community Relations**

### **School Volunteers**

The Orange Board of Education recognizes that volunteers can make many valuable contributions to our schools. The Board endorses a program encouraging community residents to take an active role in improving schools and to become school volunteers in schools subject to suitable regulations and safeguards.

Principals shall maintain a list of all regular volunteers in their schools (such as, but not limited to: chaperones on field trips, aides, library and classroom volunteer assistance, grandparents, field days, etc.). Principals must submit such a list to the Superintendent upon request.
