General

The Orange Board of Education shall prepare an annual operating budget for the school district, consistent with provisions of state statutes and Orange Board of Finance's requirements, governing preparation, timelines, and available appeal procedures of reductions to the educational budget.

Establishing Budget Priorities

Before developing and adopting a proposed budget, the Orange Board of Education shall study school programs in relation to present and future students and community needs and establish budget priorities for the fiscal year. As a preliminary part of budget development, the Board shall study the school program in relation to the present and future needs of the students and the community.

Supplemental Appropriations
