

## **Students**

### **Alcohol Use, Drugs, and Tobacco (including Performance Enhancing Substances)**

It is the goal of the Board of Education (Board) to maintain a drug, tobacco and alcohol-free school district environment. The schools shall take positive action through education, counseling, parental involvement, and medical and police referral in handling incidents in the schools involving possession, sale, and/or use of behavior affecting substances. These substances shall include but not be limited to alcohol and controlled substances as defined in the Penal Code of the State of Connecticut.

Alcohol, tobacco, stimulants, drugs, inhalants, and performance enhancing substances are addressed by this policy and accompanying administrative regulations.

Possessing, using, or transmitting any substance which is represented to be or looks like a narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, stimulant, depressant, or intoxicant of any kind, including such substances that contain chemicals which produce the same effect of illegal substances including but not limited to Spice and K2 and bath salts within the schools' educational system and programs are addressed by this policy.

### **Definitions**

**Drugs** are defined as any substance other than food or water that is intended to be taken or administered (ingested, injected, applied, implanted, inhaled, etc.) for the purpose of altering, sustaining, or controlling the recipient's physical, mental, or emotional state. Drugs may include, but not be limited to, alcoholic beverages; controlled substances such as marijuana, hallucinogens, cocaine, barbiturates, amphetamines, narcotics; and non-authorized prescription drugs.

**Controlled substances**, for purposes of this policy shall include all controlled substances prohibited by federal and state law, look-alike drugs, alcoholic beverages, anabolic steroids, drug paraphernalia, any volatile solvents or inhalants, such as but not limited to glue and aerosol products, and prescription or patent drugs, except those for which permission for use in school has otherwise been granted consistent with Board policy.

**Under the influence**, for purposes of this policy shall include any consumption or ingestion of drugs and/or controlled substances by a student.

**Electronic nicotine delivery system** means an electronic device that may be used to simulate smoking in the delivery of nicotine or other substance to a person inhaling from the device, and includes, but is not limited to, an electronic cigarette, electronic cigar, electronic cigarillo, electronic pipe or electronic hookah and any related device and any cartridge or other component of such device.

**Liquid nicotine container** means a container that holds a liquid substance containing nicotine that is sold, marketed or intended for use in an electronic nicotine delivery system or vapor product, except "liquid nicotine container" does not include such a container that is pre-filled and sealed by the manufacturer and not intended to be opened by the consumer.

**Vapor product** means any product that employs a heating element, power source, electronic circuit or other electronic, chemical or mechanical means, regardless of shape or size, to produce a vapor that may or may not include nicotine that is inhaled by the user of such product.

## **Privacy Rights**

Personal privacy rights of students shall be protected as provided by law. School properties may be inspected by school authorities to maintain health and safety. Searches to locate drugs, narcotics, liquor, weapons, poisons, and missing properties are matters relating to health and safety and may be regarded as reasonable grounds for searches by school personnel.

## **Illegal Activities**

Use, possession, sale or distribution of drugs, including prescription drugs, drug paraphernalia and/or alcoholic beverages in violation of state law or Board of Education policy is prohibited at any time on school premises or at any school-sponsored activity. If a student is under the influence of a drug or alcohol, or engaged in the illegal activity of possessing or selling drugs and/or alcohol, the police will be notified, his/her parent(s)/guardian will be contacted, he/she may be suspended from school, may be referred to support staff, and, he/she may be considered for expulsion. In cases of the illegal activity of possessing or selling drugs or alcohol, students will be referred to the appropriate law enforcement authorities.

## **Notification of Policy**

Annually, students will be notified through the student handbook, or through other means, of consequences for violation of this policy.

Student handbooks and District/school websites will include age appropriate language to the effect that:

1. the unlawful manufacture, distribution, sale, dispensing, possession or use of controlled substances, other illegal drugs, performance-enhancing substances, alcohol or tobacco, including electronic nicotine delivery systems and vapor products, is prohibited in school, on school grounds, on school transportation and at school sponsored activities;
2. compliance with the standards of conduct stated in the handbook is mandatory;
3. a violation of the standards of conduct will subject students to disciplinary action up to and including expulsion and referral for prosecution;

## **Disciplinary Action**

Students who violate this policy will be subject to disciplinary action which includes, but is not limited to, suspension or expulsion. Any disciplinary actions imposed on any student will ensure that similar violations are treated consistently.

The following guidelines for reporting alleged violations are to be followed:

1. If an employee suspects student possession, use, abuse, distribution or sale of controlled substances, other illegal drugs, performance-enhancing drugs, alcohol, or tobacco/tobacco products the employee shall refer the matter to the Principal or his/her designee. The Principal or designee will notify the suspected student's parent/guardian and contact law enforcement personnel as appropriate.
2. If an employee obtains physical evidence of a controlled substance, other illegal drug, drug paraphernalia, performance-enhancing drugs, alcohol, tobacco products or tobacco paraphernalia from a student in school, on school grounds, on school provided transportation or at a school sponsored event, the employee shall turn the controlled substance over to the school principal or designee. The Principal will notify the student's parent/guardian, notify law enforcement personnel, and surrender possession of the controlled substance to the proper authorities within the time period required by state law.

### **Drugs and Alcohol**

It is the policy of the Board to prevent and prohibit the use (except as duly authorized through the school nurse), possession, distribution or sale of any drug, drug paraphernalia, or alcohol by any student at any time on school property, at school-sponsored events or on school-provided transportation. The District provides (1) a supportive environment for recovering chemically dependent students during and/or after their involvement in a treatment program for chemical dependency; and will provide (2) assistance to those students who are affected by drug/alcohol possession or use by others. Any student in District schools found to be using, selling, distributing, in possession of or under the influence of intoxicants, mood altering drugs or substances, or look-alike drugs, or in possession of any related drug paraphernalia during a school session, on school premises, or anywhere at a school-sponsored activity or trip, on school-provided transportation, or otherwise off school grounds when such student's conduct violates the substance abuse policy and is seriously disruptive of the educational process shall be subject to consequences as stated in the student handbook.

### **Medical Marijuana**

The conditions which follow are applicable to a District student, who holds a certificate authorizing the palliative use of marijuana issued by the Connecticut Department of Consumer Protection (DCP) for the medical use of marijuana as set out in P.A. 12-55, "An Act Concerning the Palliative Use of Marijuana" and as amended by P.A. 16-23.

The District will not refuse to enroll a student or otherwise penalize a student for being a medical marijuana certificate holder unless failure to do so would cause the school to lose a monetary or licensing benefit under federal law or regulations.

A student medical marijuana certificate holder is subject to, without bias, the same code of conduct and disciplinary standards applicable to all students attending District schools.

A student medical marijuana certificate holder shall not:

- Undertake any task under the influence of marijuana that would constitute negligence;
- Possess or engage in the medical use of marijuana
  - On a school bus,
  - On the grounds of any preschool, or elementary school
  - Utilize marijuana in any form on public transportation or in any public place;
- Use marijuana in any manner not authorized by P.A. 12-55; as amended by P.A. 16-23.
- Offer to give, sell, or dispense medical marijuana to another student or other individual on school property, in school-provided vehicles and at school events.

If District officials have reasonable belief that a student may be under the influence, in possession of, or distributing medical marijuana, in a manner not authorized by the medical marijuana statute, law enforcement authorities may/will be informed.

A student who violates any portion of this policy may be subject to disciplinary action and applicable criminal prosecution.
