

## **Students**

### **Nondiscrimination**

#### **Americans with Disabilities Act/Section 504**

In compliance with its obligations under both Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act (ADA), as amended, the District does not discriminate against otherwise qualified students with disabilities in the provision of its educational programs and activities.

It is the intent of the District to provide a free and appropriate public education to each Section 504/ADA qualified and eligible student with a disability within its jurisdiction, as defined in 28 CFR, Parts 35 & 36, Amendment to Americans with Disabilities Act Title II and Title III.

It is the further intent of the District to ensure that each student with a disability within the meaning of Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act, as amended, is identified, evaluated, and provided with a free and appropriate public education.

Students who because of a disability, need or are believed to need reasonable accommodations, services, and/or programs are addressed under this policy. Under this policy, a student with a disability is one who (a) has a physical or mental impairment that subsequently limits one or more major life activities, including learning; (b) has a record of such impairment; or (c) is regarded as having such an impairment.

A student may be a student with a disability under Section 504 and this policy even though the student does not require services pursuant to the Individuals with Disabilities Education Improvement Act (IDEIA). Students who are identified as individuals with exceptional needs according to the IDEIA criteria are not addressed under this policy, as the needs of such students are provided for elsewhere under state and federal law, and the District's special education procedures.
