Emergencies and Disaster Preparedness

General

All employees of the school system are responsible for doing everything in their power to promote student and employee safety, including fire prevention measures and development of a sensitivity among students and employees about the importance of effective emergency procedures.

The Superintendent of Schools shall annually review and maintain system wide emergency procedures, and Principals shall maintain specific building regulations and procedures for fire, bomb threats, civil defense, and other emergencies.

Fire alarm systems and regular and emergency school exits shall be maintained in good working order.

First Aid

The Superintendent shall ensure that at least one person at each school site holds current first aid and/or CPR certification.
