District Computers

Recognizing that computer software piracy is a major problem for the industry, the following procedures shall be instituted to discourage violation of copyright laws and to prevent related illegal activities at school:

1. No illegal copies of copyrighted programs may be made or used on school equipment.
2. No "locksmith" type programs will be owned or used by the school, nor will anyone be allowed to use such programs on school equipment.
3. Legal back-up copies of copyrighted programs will be protected to prevent unauthorized additional copies.
