Confirm Completion of Peck Place School Abatement & Flooring Project (107-0047)

Confirm Completion of Peck Place School Roof Project (107-0045)

Confirm Completion of Turkey Hill School Boiler Project (107-0042)

Confirm Completion of Race Brook School Boiler Project (107-0040)

Mike Luzzi mentioned that he will be meeting this Thursday regarding ADA projects.

Mr. Luzzi also spoke about the higher water bill at Turkey Hill School. They have two water lines installed from the street to the building. 6" water meter and 1 ½ water line. The reason for the 6" line is because the land was farm land and was requested by the fire department when they built the school. The line is a private line and hydrant installed by the town of Orange.

Meeting Ended at 7:01 PM
