

Board of Education
21st Century Ad Hoc Committee Minutes

Monday, April 17, 2017

Present: Susan Riccio, William Kraut; Dr. Scarpetti, Chantelle Bunnell, Kim Browe, Mary-Jo Sierakowski.

Meeting called to order at 6:07pm

Discussions were had about the 21st Century program. Overall, the program is running well and the committee will look into enhancements to improve the program.

Lead Director position – this would be a part time position, responsible for running all three sites, position would start over the summer months.

Discussions about looking at more programming for the 5th and 6th grade students.

Professional Development was discussed for staff. Staff being CPR trained was also discussed.

More consistency among all three programs.

Having more after school activities that 21st Century and non-21st Century children can participate in.

Home work – having a certified teacher for homework assistance.

Budget- looking at costs that need to be added including custodian, and administrative costs. Current staff and salaries were also reviewed.

Looking at the way in which families pay at 21st Century making payments and what improvements can be made.

Mission Statement
