

Dear Mary L. Tracy Parents,

My name is Liza Improta and I am a preschool special education teacher at Mary L. Tracy School. I love this position and my experience so far in Orange. I've been with Orange Public Schools for over eight years. Previously, I worked as a special education teacher for the Birth to Three Program at the Kennedy Center in Trumbull. I have a masters degree in early childhood integrated special education and regular education from Southern Connecticut State University.

I am an animal lover and I have two cats at home Figaro and Milo. I love to read and I have a passion for all books. I hope to give my young students the same appreciation for reading that I have. Many lessons and thematic units in my preschool class are based upon my favorite children's literature. My favorite far-away places are San Diego, California, Mexico, and Italy. My favorite close-by places are New Port, Rhode Island, Ocean City, New Jersey, and Salem, Massachusetts.

I am excited to meet all my new families this school year.

Liza Improta

Preschool Special Education Teacher
