

September 2021

Dear MLT Parents,

The 2021-2022 Mary L. Tracy school year has begun and so has our annual PTO membership drive! Your contribution will allow the PTO to provide needed funding for items such as class t-shirts for every student and staff member, yearbooks for all students, beautification for the school entrances, recess toys for each class, painting of the recess black top, back to school supplies, cultural arts, and much more. Please join me in making this year an exceptional year for our children here at MLT.

Sincerely,

Rachel Crane
