Truancy

A student who has **four unexcused absences from school in one month or ten unexcused absences in a school year** are considered truant. If a child becomes truant the following will occur:

1. A written notice will be provided to the parent notifying them of the status of their child.
2. A meeting will be held with administration and/or a School or District Attendance Team to review and evaluate the situation within ten days of the designation.

Parents are encouraged to read both policies online at www.oess.org. Please know that the Orange Board of Education, Central Office personnel, and district administrators continue to work in a collaborative fashion to support your family and our children along with meeting the mandates and requirements from the state of Connecticut. Please know that we are here to answer any questions you may have regarding this policy. It continues to be our goal to provide a safe and supportive environment so that together we can make a difference.

Should you have further questions please contact your building principal.
