

Dear Student,

Welcome to first grade. I am so excited you are in my class this year! I hope you like reading, math, writing, poetry, science and songs, because these are some of the things I love. Hopefully, you will enjoy learning about these subjects and more in our class this year.

Are you wondering about the first day of school? Please don't worry about it. A really nice adult will bring you to our classroom where I will be waiting for you. Please wear the enclosed nametag to school, and I will be wearing a matching one. I'll show you around the classroom, we'll sing songs, read a book or two, and take a tour around the building. We will also have snack and lunch. Not only is first grade fun, but we'll learn so much, too!

If you are attending the Welcome to Peck Place Picnic, please bring all your school supplies so we can organize your supplies in your desk. This will help with organization on the first day of school, and you'll already know where your classroom is and where you will be sitting!

Please be sure to bring a snack to school every day. If you need to take another look at the supply list, it is posted on the www.oess.org website. It is important that you label your supplies, lunchboxes, and backpacks with your name to avoid any confusion.

Two more things to remember the first day – wear your nametag and a smile.

Enjoy the rest of your summer vacation. I can't wait to spend the year learning and growing with you!

Love,

Mrs. Haskos
