

American Red Cross

Smoke Alarms Save Lives!

Working smoke alarms can cut the risk of death from home fires in half.

That's why we're rallying volunteers, fire departments and partners to *Sound the Alarm*.

Together, we're installing **FREE** smoke alarms in your community. Request a smoke alarm installation today!

Visits generally last 20 minutes and can be scheduled at your convenience, all at no cost to you.

All demonstration and installation services are performed by Red Cross trained volunteers and/or licensed/insured professionals and include valuable emergency preparedness tips and information.
