

Getting to Know Miss Laden

I have been teaching in the Orange Public Schools as a sixth grade teacher at Peck Place School since my teaching career began in 2006.

I attended Quinnipiac University and currently hold a Bachelor of Arts degree and a Master of Arts in Teaching degree. I received my certification in Elementary Education from Quinnipiac University.

Outside of the classroom, I enjoy spending time with my family. I love being outdoors going for a leisurely bike ride or a hike. Additionally, during my spare time I can be found reading a good book or trying out a new recipe.
