**Orange Soccer** is a weekly program designed to allow young players to develop their soccer skill in a fun and relaxed environment.

## **SPRING 2026 SEASON INFORMATION**

### **SUNDAYS**

**April 19<sup>th</sup> through June 14<sup>th</sup>**

***Please help us spread the word and share with those families especially with children in Pre k and Kindergarten.***

**Follow us on Facebook** for the latest information and updates!! [Orange Soccer Association CT](https://www.facebook.com/angesoccerct)

Every Sunday during the season, teams of approx. 6-8 players are led through ~15 minutes of skill building exercises, followed by 45-60 minutes of game time depending on the age group. Teams are coached by parent volunteers and officiated by experienced referees.

### **Cancellations**

Soccer is an all-weather sport and will be played in light rain conditions. **Any cancellations will be communicated via group e-mail and on our Facebook page.**

### **Game Day Attire**

T-Shirts will be supplied on the first day of play

**All players are required to bring Own Water, Own Ball with your child's name on it, and Shin Guards. Players must wear sneakers (soccer cleats are optional)**

### **Team Divisions, Game Time and Location**

Teams are made up mostly by the **Grade** the child currently is in for the spring. We do it this way so that players potentially know each other from the classroom. **Due to team make up limitations we cannot honor any request. All players in each age group play at the same time and field each Sunday.** Children must be 4 years old by May 1, 2026

## Practice Clinics

In addition to the Sunday program, we offer free clinics at Fred Wolfe Park (300 Hollow Rd, Orange CT) to all In-house enrolled players. These sessions are organized by Sterling Smith, an Amity Travel Soccer tenured coach and run by him and his staff. Players must wear shin guards and sneakers (soccer cleats are optional) and bring water.
