

Getting to Know Mrs. Richard

I've been teaching at Peck Place School as a sixth grade teacher since my teaching career began in 2004. Prior to becoming a teacher, I worked in minor league baseball as the Assistant General Manager of the Bridgeport Bluefish.

I graduated from Boston University with a Bachelor of Science degree in Mass Communication and received my Master of Arts in Teaching from Sacred Heart University.

Outside of the classroom, I enjoy spending time with my husband, Todd and my children, Luke and Claire. I love going on family bike rides, reading a good novel and watching college hockey.
