KIDS YOGA

Grades 2-6 **Wednesday** **November 1-December 14 (no class 11/22)** **5:00pm-6:00pm**

When people typically think of yoga and mindfulness, they often think of a room filled with flexible adults, who remain silent and serious the entire time. Not here though. While relaxation is built into each lesson, my classes for children are filled with fun and laughter. They are designed to foster playfulness, creativity, and positive energy, while building their relationship skills and ability to connect with themselves and others. **Ms. Gilbey—Instructor \$75.00 resident \$85.00 Non-residents**
