## Youth Program

Registration: February 12th Residents—February 20th Non-Residents

### CRAFT TIME BY MS. SUZANNE

**Grades K-6**                      **Tuesday**                      **February 27-March 19**                      **4:00pm-4:45pm**  
Each week your child will have a fun-filled time creating a new project to take home to display with pride.  
**Suzanne Anderson—Instructor**                      **\$40.00 Residents \$50.00 Non-Residents**

### INDOOR TENNIS

**Ages 4-5**                      **Wednesday**                      **March 6-April 10**                      **3:30pm—4:00pm**  
**Ages 6 - 8**                      **Wednesday**                      **March 6-April 10**                      **4:00pm—5:00pm**  
**Ages 8 - 10**                      **Wednesday**                      **March 6-April 10**                      **5:00pm—6:00pm**

This program has a level for every child's ability. Lessons will be held at the High Plains Community Center Gym. For tennis questions, contact Fairfield County Tennis at (203)640-1724, or [www.fairfieldcountytennis.net](http://www.fairfieldcountytennis.net). **Tennis racket not provided.**  
**Cost: Ages 6-8 & 8-10 \$150.00—Residents \$160.00 Non-Residents Ages 4-5 \$95.00 Resident—\$105.00 Non-Residents**

### KIDS YOGA with Ms. Gilbey

**Grades 2-6**                      **Wednesday**                      **March 6-April 10**                      **5:00pm-5:45pm**  
When people typically think of yoga and mindfulness, they often think of a room filled with flexible adults, who remain silent and serious the entire time. Not here though. While relaxation is built into each lesson, my classes for children are filled with fun and laughter. **Ms. Gilbey—Instructor**                      **\$75.00 Resident \$85.00 Non-Residents**

### STEM FOR GRADES 1 - 3

**Grade 1—3**                      **Monday**                      **March 4-April 22 (No class 4/15)**                      **4:45pm-5:45pm**  
Are you interested in being in the next generation of creators and inventors? In our engineering program, students will investigate engaging hands-on weekly challenges such as creating simple machines, building structures, and much more.  
**CT Stem Academy—Instructor**                      **\$55.00 Residents \$65.00 Non-Residents**

### YOUTH CODING PROGRAM

**Grades 3-6**                      **Monday**                      **March 4-April 22 (No class 4/15)**                      **4:00pm-5:00pm**  
Want to learn the analytical skills of the Future? This program is great for anyone looking to break into the world of coding! Through Scratch's simple visual interface, young people can learn to create digital stories, games, and animations in an easy manner. This class will give a general overview of Scratch and the various parts/programming blocks, while guiding students through various hands-on projects. This can help students gain foundational programming knowledge that they can later use to create their own games or build off of in the future. **All students must bring their own Chromebook.**  
**Student for Stem—Instructor**                      **\$75.00 Residents \$85.00 Non-Residents**

### YOUTH VOLLEYBALL

**Grades 4-6 Boys and Girls**                      **Tuesday**                      **March 12—April 23 (no class 4/16)**                      **4:00pm-5:00pm**  
This 6-week program is for boys and girls that have little volleyball experience, but a willingness to learn the sport. This program will focus on fundamentals and learning. Players will work on skills such as passing, serving, hitting, and defense, with some fun games mixed in. **Ms. Cimmino—Instructor**                      **\$120.00 Residents \$130.00 Non-Residents**

### YOUTH CHESS PROGRAM

**Grades 3-7 Boys and Girls**                      **Monday**                      **March 4-April 8**                      **4:00pm-5:00pm**  
This program is designed to give students an opportunity to learn the game of chess, improve their chess skills, and to enjoy challenging their peers, while experiencing healthy competition. The game of chess is used to develop critical thinking, problem solving, and decision-making. Students will have the chance to learn new techniques, track their progress and to compete in chess matches, all while learning sportsmanship, and having fun. No experience necessary, just the willingness to learn the game. **Katie Esposito-Instructor**                      **\$75.00 Residents \$85.00 Non-Residents**

### APRIL VACATION CAMP (Registration starts February 12th)

**Grades K-6**                      **Monday-Friday**                      **April 15th-April 19th**                      **9:00am-4:00pm**  
Each day will be a new adventure. Your camper will have 5 days of fun with creative outdoor and indoor activities. Daily field trips, swimming and more. **Space is limited. (No Early or Late Stay Being Offered)**  
**\$325.00 Residents \$375.00 Non-Residents**
