The Race Brook PTA coordinates many events/activities throughout the school year. We are hoping this year we can host more while following all guidelines of the Town Health Department! That being said, we can't do it without help! Get involved- **We are in great need of volunteers!** We encourage you to join us at a PTA meeting (second Wednesday of the month) to see how you can get involved (we promise there is something for everyone!)

Volunteer opportunities as needed will be posted on our website:
