

Dear Students and Parents,

Welcome back to school! We hope you are enjoying your summer and are looking forward to the upcoming school year which begins Monday, August 30, 2021. This year will certainly prove to be exciting and we have many surprises in store. From reading, to math and writing, and social studies and science, we have so much to teach you. We can't wait to begin!

These greetings come with some important information we would like to share. We will have most of the supplies needed for school ready for your arrival, but there are a few items that you will need to bring:

- Snack and water bottle
- 1 pair of earbuds (headphones)
- A book for silent reading

As our 5th grade school year quickly approaches, we look forward to getting to know everyone at Race Brook School. We are certain we will learn a great deal from each of you and we hope to enrich your minds throughout the school year. We look forward to working as a team along with you and your parents. With everyone's cooperation, we will have a wonderful school year. Enjoy the rest of your summer!

Sincerely,
The grade 5 teachers
