

## All About Mrs. Butler

I am thrilled to be entering another wonderful year of teaching second grade at Race Brook School. Before joining the Race Brook family I taught first grade at Turkey Hill School and kindergarten at Mary L. Tracy.

I have a BA in History and Psychology from Kenyon College and an MS in Elementary Education from University of Bridgeport.

I grew up in Orange and still live here with my family.

I feel fortunate to work with such wonderful students, parents, colleagues and administrator. When I am not teaching I enjoy working in my garden, exercising, walking my dog Lucy, reading, and spending time with my family and friends.
