Join the RBS PTA team today!!

The PTA provides cultural enrichment programs, transportation funding for field trips for grades 1-6, plus financial support for classroom activities, grade-wide events/projects, and every teacher in the school. *(And more!)*

We organize and implement the new and traditional events that work toward our goal of making Race Brook School successful for every student.

The only way we can continue to provide the access and educational opportunities for our children is through the active involvement of all of our RBS families.

Join our team! [Become a member of the general PTA](#) and get involved in our activities and events by reaching out to any of our board members!

Thank you for your continued support!!
