Dear Turkey Hill Family,

I hope you are all staying warm! I know Valentine's Day is a month away, but many families prepare in advance and I wanted to take a moment to review our classroom celebrations and wellness policy.

Each classroom will have a Valentine's Day party in which you will send an extra snack in with your child the day of (just as you did for the Halloween and winter break parties). Our PTO will send home a special snack bag a few days before for you to send their party snack back to school in. Classroom teachers will communicate the time of their party as we get closer – all parties will be on February 14th. Room parents will organize a special activity or craft for the party. Parents are invited to attend if your schedule allows. Classroom teachers will also be sending home a list of student names that are in the class so your child can prepare their valentine cards.

Students are allowed to pass out valentines to students in their own homeroom only. Please adhere to the following guidelines for sending in Valentines:

1. Per our Board of Education's Wellness Policy, do not send your child to school with valentines that contain any food or candy item.
2. In order to not exclude students from a Valentine's Day exchange – your child can choose to give a valentine to every child in class or they can choose to not hand out a valentine to anyone.

If you have any questions regarding the Valentine's Day celebration in your child's class, please contact your classroom teacher.

Sincerely,

Denise Arterbery
Principal
