Dear Parents and Guardians:

The week of November 12th – 16th has been designated American Education Week. Each year, it has been our custom to issue a special invitation to parents and community members to visit our schools. This gives everyone an opportunity to observe the teaching and learning process in our schools. No special activities are planned, purposely in order for you to get the feeling of a child's typical school day.

Two days have been designated for visitation at each of our elementary schools -- Monday, November 12th and Friday, November 16th.

If during your visit you would like to order lunch from the school cafeteria at Mary L. Tracy, Race Brook, Turkey Hill, or Peck Place, please call the school office before 9:00 a.m. Adult lunches are \$5.00.

Below you will find a schedule for each school to help plan your visit. For safety reasons, please plan your arrival or departure from the school after the school bus drop-off and before pick-up.

Visits to the schools on November 12th and November 16th can begin at 9:00 a.m.
