

All About Mrs. Martorana

Hello! I am excited to be your teacher! Here is some information about me.

I taught three years in sixth grade in Berlin, Connecticut after graduating with a B.A. in English with a minor in Psychology and an M.A.T. in Elementary Education from Quinnipiac University. In 2007 I began my teaching career in Orange when I was hired to teach sixth grade at Peck Place School. In 2010 I had the opportunity to move to third grade at Race Brook School and have loved the change.

My family is from New York and I live in Connecticut with my husband, my son, Tommy, and my daughters, Alyssa and Madelyn. When I am not busy teaching I enjoy reading, spending time with my family, traveling to Disney, going to the beach, and baking.
