

## **All About Mrs. Polis**

**I have been teaching in the Orange Public Schools at Peck Place School since my career began in 2005. I have experience in several grades levels including both third and first grade.**

**I attended Southern Connecticut State University where I earned a Bachelor's degree in Sociology and Psychology. I then attended the University of New Haven where I earned a Master's degree in Elementary Education.**

**I am very active in the Peck Place School community having served on several committees. I am currently a member of the District Language Arts, PBIS, and SRBI committees.**

**Outside of the classroom, I enjoy spending time with my husband and children. I also enjoy reading and spending time with friends.**

**I enjoy both the rewards and challenges of teaching young children. I hope to make your child's third grade experience meaningful and fun!**
