

## Mrs. Stevens's Biography

I was born and raised in Connecticut. I have a B.S. from Northeastern University, an M.S in Education from The University of New Haven, and a sixth year in Technology from Dominican University.

My first teaching job was fifth grade at an elementary school in Ansonia. I then moved on to teach second grade in New Haven. I have been teaching at The Peck Place School since 2001. I taught first grade and then moved on to teach my favorite grade level~second grade!

I have served on several teams and committees including; The Character Education Committee, Technology Committee, Spirit Team leader, and Grade Level Chairperson. I am part of PBIS which focuses on creating a positive school environment. I am also a T.E.A.M. trained mentor to beginning teachers.

In addition to teaching, I enjoy being mom to my daughter, Emma, and my pug Sophie. I love spending time with my family and friends. Some of my hobbies include reading, traveling, and listening to music.

My goal as a second grade teacher is to create life-long learners in a safe and nurturing environment. I believe that every child is special and unique.
