

Turkey Hill School's Dorothy Berger Library Media Center

Volunteer Signup 2021 – 2022

Begin a new chapter this year at the THS Library Media Center.
Volunteers are an essential part of our library and your children's education.
No experience needed. Training is provided.

As a Library Volunteer you will:

- Help keep the library running smoothly and efficiently
- Assist the children so they can fully utilize the library's resources
- Check all books, periodicals and audio books in and out for students and staff
- Reshelf and maintain books in their proper places
- Help the Librarian/Media Specialist with clerical, cataloging or circulating projects throughout the school year

You are invited and encouraged to assist during your child's library period or any time that fits your schedule, whether it be weekly, bi-weekly or monthly. Being a Library Volunteer is a great way to share time with your child and their classmates.

If you have any questions please contact Kristen Donohue at kristendonohue3@gmail.com

All volunteers must be paid PTO members. Please remember to return the PTO membership form with your dues. Grandparents are always welcome. Please complete the below form & return it to the main office by **Wednesday, September 8th**, Attn: Library Volunteer.

Thank you in advance for your support.

*Please be as specific as possible. If there are multiple volunteers per classroom a rotating schedule will be implemented. Please let me know as soon as possible so I can coordinate another Volunteer.
