

**Race Brook School earns FREE money every time we shop at
Stop & Shop and points towards items from Shop Rite.**

Your scan card must be registered online, where you select "Race Brook" as the school to reap the benefits!! We need to gather the card numbers from **ALL** the Race Brook parents to take advantage of this great offer. Friends and family (especially grandparents) who shop there can register their card numbers to benefit Race Brook as well. If you have a Stop & Shop and/or Shop Rite scan card, please send in your last name and the 13 digit card number (12 digit for Shop Rite), we will enter it for you (no personal information is contained in this entry.) Let's set a new school record for earning **FREE** money!!!!!!

Last year we earned \$1,000 of free money from Stop & Shop for RBS!
And we "purchased" several new items for the kids from our ShopRite Points!

Feel free to add another sheet. Be sure to include the last name and the card # and print clearly.
