

Welcome to 21<sup>st</sup> Century Families,

We hope that you have enjoyed the summer with your families, as always it truly seems to get shorter and shorter as the years go by. I am very excited to be returning for my third year as Site Manager at Turkey Hill. I can't wait to catch up with my old friends while anxious to make new ones. All of the staff from last year will be returning this year as well. We are looking forward to a great year at 21st Century, fun-filled with many exciting activities and projects to keep the children engaged and happy.

We have some fun things planned for this coming school year! Some of our activities are organized sports, computers, music, dancing, movies, science fun, arts and crafts, ping pong, air hockey, cooking, board games, wood working, knitting club and special events. Hopefully the weather will stay nice so we can spend a lot of time outdoors.

Tuition is due by the first day of every month. By the 5th of the month, a \$25.00 late fee will be added to your bill. If you have any questions, or need to know the amount due, please call me. Parents will still be able to pay online for a small user fee, or tuition can be paid to me by check at any time. Please, no cash payments.

When picking your child up from the after school program you will be asked to provide a picture I.D. by the school security monitor. Please make sure you have it with you. This is to ensure the safety and security of your children - we thank you in advance for your understanding and cooperation in this matter.

We are excited to partner with you in providing an exciting and enjoyable after school program. The Turkey Hill School 21st Century Team will continue to provide the same nurturing care and attention to your children. If you would like for staff to assist your child with homework during the program, please sign them up on the homework list.

As always, we are looking forward to having another amazing, fun-filled year! See you soon!
